History

Chronology- WW2 lasted from 1939 to 1945 and followed WW1

Cultural- Hull was bombed because it was a port. Many areas of Hull including residential areas were destroyed.

Social- The roles of women changed because many men went off to fight. Children were evacuated from Hull to the countryside to keep them safe.

Military and Political- Germany declared war on Poland, which officially started the war. WW2 was a battle between two groups of countries called the allies and the axis.

Economic- Rationing was introduced as well as a make do and mend campaign because supplies were not readily available.

Religion- Millions of Germans were imprisoned and killed because they didn't fit the image of the 'perfect' German.

Maths

Measurement
Perimeter, area & volume
Ratio

MFL

Playing & enjoying sports.
This is me, hobbies & fun

Science

Animals, including Humans

The children will learn that the circulatory system includes the heart, blood vessels and blood, and is vital for fighting diseases and maintaining proper temperature. They will also learn that the heart is a muscular organ in most animals, which pumps blood through the blood vessels of the circulatory system.

They will gain an understanding that blood is the red liquid that circulates in the arteries and veins of humans and other vertebrate animals, carrying oxygen to and carbon dioxide.

The children will take part in a wide range of activities linked to the circulatory system.

WW2

How did WW2 impact on Hull?

DT

Food Technology

Design

The children will research and develop a design criteria to inform the design of innovative, functional and appealing products.

The children will create war time recipes and then adapt them with limited ingredients just like the rationing point in history.

In English we will be reading...
