## Jigsaw

Changing Me

## Music

In Music we will be consolidating all the musical skills we have learned throughout the year.

## Computing

In Computing we will be looking at programming using Logo

## Science - Animals including Humans

Animals, including humans, are unable to make their own food and that they get their nutrition from what they drink and eat.

Different food groups include fruit and vegetables, bread, rice, potatoes, pasta and other starchy foods, milk and dairy, oils and spreads, meat, fish, eggs, beans and other non-dairy sources of protein.

Human body needs food for energy, to keep warm, and for growth and repair. We need many nutrients on a daily basis in order to stay healthy.

There are seven nutrient groups are protein, carbohydrates, fats, oils, vitamins, minerals, fibre and water.

Healthy, balanced diets lead to healthy, active people.

## History

In History we will be learning about how ...

The Ancient Greeks lived between 76BC to 146AD.

- The Greeks invented democracy.
- The Greeks believed in many Gods and held many festivals in honour of them.
- Alexander the Great ruled the world's largest empire and he never lost a battle.
- The Athenians joined forces to battle against invading Persia called the Battle of Marathon.
- The Ancient Greek civilization ended because they were invaded by the Romans.
- The Ancient Greeks invented the theatre, athletics and were famous for their architecture.
