Geography

European comparison: Naples Year 4

Remember when

-7 continents and oceans

-Hot and cold climates (Year 2)

-Understand how mountains are formed

-Position of the UK

Children must be able to recall the countries and capital cities of the UK.

Children must know the location of Hull on the UK map and England on a world map.

Children must understand the terms climate, biomes, equator and continents.

Sticky knowledge

- -There are 44 countries in Europe.
- -I know Naples is near Mount Vesuvius and is on the Almafi coast.
- -I know that Naples has a warmer climate compared to Hull.
- -Hull exports, caravans, fish and wind turbines.
- -In Naples they make wine, grow tomatoes to make pasta sauce
- -Tourism brings money into a country.

Key vocabulary

Europe climates Euros biomes equator Italy state hemisphere mountains tropics lakes continent rivers symbols Mediterranean keys area

National curriculum

Locational Knowledge

 Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities

Place Knowledge

- Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America

Human and physical geography

- describe and understand key aspects of:
 - physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle
 - human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water

Geographical skills and fieldwork

- use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied
- use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world
