

Spring 2 2019  
Year 2

**The key knowledge to support this topic**

- That food is grown and made in different ways
- We must look after our bodies through a healthy diet, exercise and good personal hygiene.
- The United Kingdom is made up of England, Ireland, Scotland and Wales.
- Human geography involves man made features and physical features are naturally formed.
- Different ingredients and equipment is needed to prepare different dishes
- Plants need light, water and a suitable temperature to grow

**The key vocabulary to support this topic**

food    healthy    hygiene    exercise    plant  
seed    grow    countries    cities  
human features    physical features

**The key skill I will use during topic**

- Evaluating existing products
- Preparing recipes
- Using simple political and large scale maps
- Investigating what plants need to survive
- Observing how plants grow and stay healthy

In this topic the children will be designing and making a healthy menu to serve in Thorpepark café. Parents and carers will be invited to the Café. We will learn about plants and what they need to survive. We will investigate where our food comes from .

**Trips / Special events**  
Thorpepark Café  
Tesco supermarket trip

**Thorpepark 50**  
41 Design and make a sandwich

## Design Technology

Name some elements of a healthy meal

Dairy contains fat, yet it is good for you.  
Explain why?

What healthy meals would you create? Why?

Healthy, preparation hygiene, balanced meal,  
ingredients, recipes, menus

How are human features different to physical  
features?

Do you think human features improve places  
that we live in?

countries cities human features  
physical features

## Jigsaw

Healthy me

Keeping their  
bodies healthy

Different foods

Exercising

Hygiene

## RE

Christian beliefs

Christian artefacts and  
symbols

The Easter story

## Cross curricular computing

QR codes

Supermarket products  
research

## Maths

Addition & Subtraction

Measure – Length and height

Fractions of shapes, numbers, lengths  
and quantities.

Fractions including:  $\frac{1}{2}$   $\frac{1}{3}$   $\frac{1}{4}$   $\frac{2}{4}$  and  $\frac{3}{4}$

## We will be writing

- Re-telling stories
- Traditional tales with a twist
- Menus
- Letters
- Recipes and instructions
- Recount of Thorpepark Café
- Life cycles

This half term we will be working on  
presentation, handwriting and spelling  
words with suffixes.

## We will be reading
