

Autumn 2019  
Year 5

# Fantatic Fairgrounds

## The key knowledge to support this topic

\*Hull Fair is the largest travelling fair in Europe and one of the oldest - the fair celebrated its seven hundredth anniversary in 1993. The first charter granting permission for a fair to be held, from 9 to 23 March, was granted in 1278.

\* Grid reference are read– along the corridor up the stairs inside the square.

\* Physical features are naturally occurring and human features are made by humans.

\*Gravity is a force that pulls us towards earth.

\*Up-thrust is a force that pushes objects up.

\*The UK is broken into counties

\*Texas and Florida are in America

## The key vocabulary to support this topic

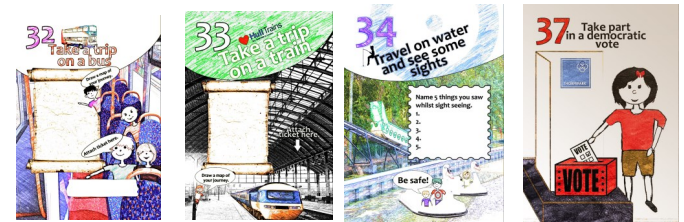

Life Cycles, Plants, Naturalist, Animal behaviourist, Mammal, Animals, Environment, Amphibian, Seeds, Stem, Root ,Bulbs ,Pollen, Stamen, Stigma, Germination, Seed Formation, Seed dispersal, Insect, Life, Processes, Growth, Bird, Reproduction, Living, Pollination, Eggs, Reproduction, Insect, Bird, Offspring, Force, Surfaces, Speed, Gravity, Leavers, Movement, Fall, Moving Surfaces, Earth, Pulleys, Mechanisms, Gears, Water Resistance, Effect, Friction, Air resistance, Water Friction, Newton, Gears, Physical, Human Features, Grid Reference, Ordinance survey maps, North America, Counties, Cities

## The key skill I will use during topic

- Investigation
- Research
- Reading grid references
- Map reading

In this topic the children will be learning about the fantastic world of Fairgrounds and Theme parks. They will be investigating friction and how gravity works, learning about the famous artist Lowry and designing and creating small scale fairground rides.

## Thorpepark 50

## Art and Design

Who is Lowry?

What is a matchstick man?

Explain what materials you could use to recreate a Lowry painting.

What other landscapes could you create using Lowry's style?

Charcoal, smudging, shadow, shade

## Science

What is a lifecycle?

What are the parts of a flower called?

What happens if germination didn't happen?

Can you think of your own lifecycle?

Germinations, life cycle, reproduction, fertilisation

## History and Geography

Name and locate some local and national and North American fairgrounds.

Does everyone enjoy going to a fairground?

Should Hull Fair be located at Walton street or somewhere quieter?

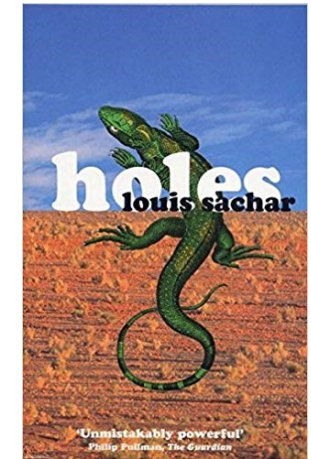

How long have the travelling fairgrounds been around?

## Maths

- Place value
- Reading, Writing, Saying and Ordering numbers
- Rounding
- Negative Numbers
- Roman Numerals
- Shape
- Addition and Subtraction
- Multiplication and division

## We will be reading

## Computing

- An introduction to algorithms
- Algorithms for Drones

## Religious Education

### Expressions of faith

What Christian artefacts are there?

How does participating in festivals help promote their religion?

Do all religions have the same beliefs/ symbols?

Christianity, symbols, artefacts, religion, ritual

## PE

Boxing  
Games

## Jigsaw

- Being me in my world
- Celebrating differences
- Safety at Hull Fair

## We will be writing

- Recounts
- Newspaper Reports
- Hull Fair poetry
- Biographies
- Explanations
- Discussions
- Story Opening
