

Autumn 2 2019
Year 1

Changes

The key knowledge to support this topic

In geography - to compare and contrast the physical geography (weather) of a small area of the UK (Hull) and a small area in a non-European country (Sydney)

In science - to know the changes across the four seasons

In this topic the children...

- Learn about what it means to be different
- Compare and contrast physical geography in different areas

The key vocabulary to support this topic

Science - seasons, weather, Autumn, Winter, Spring, Summer, rain, cooler, warmer, longer, shorter, sun, cloudy, snowy, frosty, foggy, windy

Geography - Australia, Sydney, Hull, England, contrast, non-European

Art - natural world, sketching, stamp, printing, texture, line, colour, form, space, shape, printing, Andy Goldsworthy, similar, different

Thorpepark 50

- 4 - run through a pile of leaves
- 12 - watch a play at the theatre
- 26 - sing a song
- 50 - take part in a performance and invite your family

The key skill I will use during topic

Art— printing, sketching, observing

Geography— contrasting, comparing

Writing - sentence construction, forming letters correctly, capital letters and full stops, composing a sentence orally, finger spaces.

Science - identifying, observing changes, classifying

Science

What colours are Autumn leaves?

What are the four seasons?

How does the weather change from Autumn to Winter?

Do you need your flip flops in Winter?
