

Autumn 1 2021

Year 4

Music

The children will be using Hull Music Service and introduced to the Glockenspiel.

Jigsaw

Being me

Discovery RE

Beliefs and practices

How special is the relationship Jews have with God?

Science

Electricity

Electricity is generated using energy from natural sources such as the sun, oil, water and wind. These can also be called fuel sources.

Some appliances use batteries and some use mains electricity. Batteries come in different sizes depending on how much and for how long the appliance is used.

A complete circuit is a loop that allows electrical current to flow through wires.

A circuit contains a battery (cell), wires and an appliance that requires electricity to work (such as a bulb, motor or buzzer).

A switch can break or reconnect a circuit. It controls the flow of the electrical current around the circuit. When the switch is off, the current cannot flow.

Objects that are made from materials that allow electricity to pass through a create a complete circuit are called electrical conductors.

History

Chronology- The Romans invaded Britain in 43AD to 410AD. Julius Caesar attempted invasion in 55 BC and failed but Claudius succeeded in 43AD

Cultural- Romans had architects, who designed houses made of stone and had sewage systems

Social- Romans were great trend setters of the ancient world; whatever they didn't invent they adapted and copied from others. Romans brought roads, rabbits and the calendar we use today

Military and Political- Boudicca was one of the main leaders of the British resistance. Boudicca was a Celt.

Economic- Romans used currency to trade

Religion- The Romans brought early Christianity to Britain

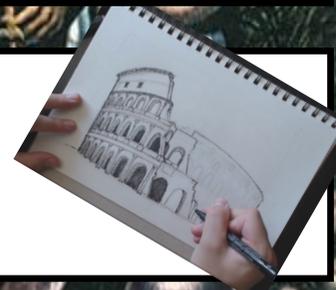

Computing

The children will be learning how to create word documents:

- The difference between cut and copy is that cut removes the selected data from its original position while copy creates a duplicate of the original content.
- Format Painter is used when you want to copy formatting from one item to another.
- Keyboard shortcuts allow us to work 10 times faster than working with the mouse.

Art

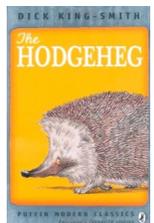

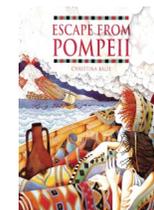

Sketching and ink printing to look at the buildings of Ancient Rome.

The Romans
How did the Romans impact on Britain?

In English we will be reading...

Escape to Pompeii
By Christina Balit

The Hodgeheg
By Dick King-Smith
