1. Introduction

- 1.1. Little Jumping Beans regards snacks as an important part of the day. Eating represents a social time for children and adults and helps children to learn about healthy eating.

2. Aim of the policy

- 2.1. At snack time and lunchtimes (if applicable), we aim to provide nutritious food, which meets the children's individual dietary needs.

3. Implementation of the policy

Allergies and Food Intolerances

- 3.1. All staff, including new staff, or cover staff are made aware of the children's allergies and any action to be taken.
- 3.2. For the safety of your child, there is a list of children and their allergies/intolerances displayed in the playroom and a comprehensive list on display in the kitchen. This is reviewed and updated regularly. This information is available for your child's safety, however, due to data protection a signed parental agreement is required for this to be shared with others.
- 3.3. In cases where there is a likelihood of a severe allergic reaction, the pre-nursery manager will have regular updates with parent/carers to ensure everyone continues to follow the correct procedures for the child. All staff are made aware of the emergency procedure for each child, as well as symptoms and administration of any medication

Food

- 3.4. Any food prepared onsite will either be from Thorpepark kitchens or staff that hold a current certification for food hygiene.
- 3.5. Lunchtimes children can have a lunch provided by Thorpepark kitchens or bring a healthy packed lunch from home.
- 3.6. Snacks will be provided by the setting or as an alternative parents/carers can provide snacks for their child but must ensure that these are a healthy snack. Parents/carers cannot provide snacks that contain nuts.
- 3.7. All snacks provided by parents/carers must be handed to staff on arrival and be clearly labelled with the child's name.

Drinks

3.8. Staff will ensure that water or milk is provided for all children. The children will be given opportunities to drink throughout the play sessions. If a child requests a drink the staff will ensure a drink is provided.

Food poisoning

3.9. OFSTED will be notified if any food poisoning affecting two or more children looked after on our premises. This notification will be made as soon as is reasonably possible and will be within 14 days of the incident.
