

Summer 2

23-24

Year 5

Religion, beliefs and values

Prayer and worship

Art and Design

We will be looking at the artist Cezanne

Maths

Decimals

Negative numbers

Converting units

Volume

Writing

Basic skills

Fantasy story

Kenning poetry

Informal letter to new teacher

Science— All living things in their habitats

Sticky knowledge:

The life cycles of mammals, birds, amphibians and insects have similarities and differences. One difference is that amphibians and insects go through the process of metamorphosis. This is when the structure of their bodies changes significantly as they grow (for example, from ladybird or salamander).

Reproduction is when an animal or plant produces one or more individuals similar to itself.

Sexual reproduction requires two parents with male and female gametes (cells) and will produce offspring that is similar to but not identical to the parent.

Asexual reproduction will produce offspring that is identical to the parent and requires only one parent.

The life process of reproduction in a flowering plant involves, pollination, fertilisation and germination.

Plants reproduce both sexually and asexually. Bulbs, tubers, runners and plantlets are examples of asexual plant reproduction which involves only one parent. Gardeners may force plants to reproduce asexually by taking cuttings. Sexual reproduction occurs through pollination, usually involving wind or insects.

A naturalist is an expert in or student of natural history.

Thorpepark 50

- 1) Write your full name in lots of different ways (Viking Runes)

Jigsaw

We will be looking at the topic- puberty and conception

Vikings

How did the Anglo-Saxons and Vikings impact on Britain?

History—Vikings

Sticky knowledge:

-The Vikings invaded in AD793. They came from Norway, Sweden and Denmark.

-The Vikings invaded at first to steal gold from monasteries and take people as slaves. Later they settled in Britain for better farmland.

-Vikings lived in longhouses. The bigger the longhouse was, the more important the person who lived there.

-Vikings believed in many Gods and Goddesses. They told stories about them.

-Alfred the Great stopped the Vikings taking over the whole of England and agreed peace with them.

-The Viking and Anglo-Saxon era ended in 1066 when King Edward died without leaving an heir to the throne.

In story time we will be reading...

Computing

This term we are focusing on programming. We will be working with:

Music- We will be learning to play the glockenspiels with the Hull Music Service.
