### History

**Chronology-** WW2 lasted from 1939 to 1945 and followed WW1

**Cultural-** Hull was bombed because it was a port. Many areas of Hull including residential areas were destroyed.

**Social-** The roles of women changed because many men went off to fight. Children were evacuated from Hull to the countryside to keep them safe.

**Military and Political-** Germany declared war on Poland, which officially started the war. WW2 was a battle between two groups of countries called the allies and the axis.

**Economic-** Rationing was introduced as well as a make do and mend campaign because supplies were not readily available.

**Religion-** Millions of Germans were imprisoned and killed because they didn't fit the image of the 'perfect' German.

### Science

#### Animals, including Humans

The children will learn that the circulatory system includes the heart, blood vessels and blood, and is vital for fighting diseases and maintaining proper temperature. They will also learn that the heart is a muscular organ in most animals, which pumps blood through the blood vessels of the circulatory system.

They will gain an understanding that blood is the red liquid that circulates in the arteries and veins of humans and other vertebrate animals, carrying oxygen to and carbon dioxide.

The children will take part in a wide range of activities linked to the circulatory system.
