

# Summer 1 Year 6

# Survival

How do you survive an earthquake?

**The key vocabulary to support this topic:**  
Aftershock, richter scale ,fault, wave, crust ,  
epicentre ,plate , tectonics , disaster ,tremors ,  
aftershock, wave , continent  
climate

In this Geography based topic the children will be learning about survival and the different physical features that make up our earth as we know it..

The children will be comparing different physical features from around the world, which include features such as: different climates, biomes, earthquakes, tsunamis, land patterns and land uses.

## We will be reading:

### Kensuke's Kingdom

### Thorpepark 50

10) Den Building  
25) Instrument

## Jigsaw

### Changing me

What is meant by the saying self-image?

What are the differences?

How is your self-esteem affected by your picture of your ideal self?

## The key skills I will use during topic are:

- Research
- Working With Others.
- Sharing opinions

## We will be writing the following:

SATs Revision  
SATs Week

## Maths

- SATS revision
- Geometry: Position and direction
- Shape

## Geography

### Non European comparison: South America

- Climates
- Biomes
- Earthquakes
- Tsunamis

## PE

Athletics

## DT

The children will generate, develop, model and communicate their ideas through discussion, annotated sketches, cross-sectional and exploded diagrams, prototypes, pattern pieces and computer-aided design. By doing this they will work in teams to create their own working robots.

## Music

Perform, listen to, review and perform 'You've got a friend ' This will be performed by singing a playing the keyboard

## Computing

- Using search technologies effectively
- Use and understand the key concepts of programming

## Science

The children will learn that Carl Linnaeus developed a classification system and the living things can be formally grouped according to their characteristics.

### Linnaeus' classification system

- Each level is included in the level above it.
  - Levels get increasingly specific from kingdom to species.
- 

## Religion, beliefs and values
