Art

Textiles Year 3

National curriculum

- -To create sketch books to record their observations and use them to review and revisit ideas.
- -To improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay].
- -To learn about great artists, architects and designers in history.

To learn about great artists, arounceds and designers in motory.				
Key Knowledge and skills – Year 3	Vocabulary			
Sticky Knowledge -Andrea Hunter is a felt artist from Yorkshire DalesThe Yorkshire Dales landscape is the main inspiration for Andrea Hunter's artwork.	Wool Felt Felting Painting			
-Wool can be used to create felt paintings and drawings. Art Skills Exploring and Developing Ideas - Make observations and record ideas using sketchbook.	Landscape Scene Overlaying Colour Blend Mix			
 Textiles/collage Combine and overlayer wool to create a landscape. Use technique of felt painting. Select and mix colours to create tone and shade. Cut, shape and layer different materials for particular effect. 				
Evaluating and Deepening Work - Adapt and refine their work, explaining how they might develop it further.				

annotate thoughts and ideas.

Lesson outline

Lesson 1: Investigate LO: To know about the work of Andrea Hunter and how she uses felt art.	Introduce the children to Andrea Hunter artwork. Q. What medium does she use to make her pictures? Explain about felting and watch demo of felting.
	https://www.youtube.com/watch?v=zgvidSiOY8E&t=21s
	Explain how Andrea Hunter takes inspiration from her landscape and where she lives. Discuss about use of colours, i.e. black and white, colours.
Sticky Knowledge: Andrea Hunter is a felt	Children have an opportunity to look at her artwork, copy ideas in sketchbooks focusing on colour.
artist from Yorkshire Dales. The Yorkshire Dales landscape is the main inspiration for Andrea Hunter's artwork.	Explain that they will be learning the technique of felt painting and then creating their own landscape seascape/coastal picture. Activity:
Art Skills: Make observations and record	Children make observations of some of Andrea's felt paintings: 1 st June Cotton Grass, August Walk and Heafted Swaledales (Images in sketch books and children

Lesson 2: Focus practical tasks

observations and record

ideas using sketchbook.

Watch demo on how to create felt picture by layering felt. https://www.youtube.com/watch?v=zgvidSiOY8E&t=21s

LO: To know how to use Children use small swatches to create small felt paintings. the technique of felt painting. Sticky Knowledge: Wool can be used to create felt paintings and drawings. Art Skills: Combine and overlayer wool to create a landscape. Use technique of felt painting. Lesson 3: Explain this lesson is about exploring with colour by overlaying different coloured felt. Discuss about the thickness of the felt and how this alters the shade and tone of LO: To experiment with the colour. combining colours to create Children experiment with different coloured felts and thicknesses by overlaying to different effects. create small colour swatches. Art Skills: Combine and Discuss different effects made and how these were achieved. overlayer wool to create a landscape. Use technique of felt painting. Select and mix colours to create tone and shade. Lesson 4: Explain they are going to use felt painting technique to create a coastal/ seascape picture of their own. LO: To develop and record Explain they can use other artists work for ideas to decide on colour choices and ideas for own piece of mood of the picture. Remind the children about the medium they will be using to artwork. create their picture, i.e. felt painting. Children to use sketchbook and record ideas for own picture. A few drawings could Art Skills: Make be drawn and different colours added. observations and record ideas using sketchbook. In pairs or small groups, look at designs and choose the best one and say why. Recap technique and remind children of key skills when overlapping and overlaying Lesson 5: Final piece wool and colours. This lesson is focusing on developing background including sky, **LO:** To use technique of sea, sand/cliffs. felt painting to create their Children to choose one idea from sketchbook and using felt painting technique to own artwork. create own picture. Show how to remove layers and adapt design. Art Skills: Combine and Evaluate at the end of the lesson what they need to do next. overlayer wool to create a landscape. Use technique of felt painting. Select and mix colours to create tone and shade. Lesson 6: Final piece Reflect children artwork created so far and talk about next steps and how their are going to develop it further. Remind about lifting, removing and adding additional LO: To adapt and refine wool/colour to improve picture. artwork to improve final Explain that more detail can be added to the artwork, for example rocks, lighthouse, piece. gulls etc. Talk about cutting, shaping and adding different materials. Children continue to work on pictures. Art Skills: As lesson 5 Evaluate final pictures. Q. Which is your favourite picture? Q. Why? Q. Can you

describe what techniques you used? Q. What do you think went well and why?

Cut, shape and layer different materials for particular effect. Adapt and refine their work, explaining how they might develop it further.	Q. How o	did you adapt and change your picture	?
