

# Music Year Six

## Autumn 1: Music and Technology

### National C

- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression
- improvise and compose music for a range of purposes using the inter-related dimensions of music
- listen with attention to detail and recall sounds with increasing aural memory
- use and understand staff and other musical notations
- appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians
- develop an understanding of the history of music.

### Prior Unit:

Year 5: Freedom to Improvise

### Future Unit:

Developing Ensemble Skills

### Sticky knowledge and skills:

- Talk about feelings created by the music.
- Identify the musical style of a song using some musical vocabulary to discuss its musical elements.
- Justify a personal opinion with reference to musical elements.
- Discuss the structure of the music with reference to verse, chorus, bridge and an instrumental break.
- Rehearse and learn songs from memory and/ or with notation.
- Discuss with others how connected you are to the music and songs, and how the songs and styles are connected to the world.
- Explore ways of representing high and low sounds, and long and short sounds, using symbols and any appropriate means of notation.
- Rehearse and learn to play one of four differentiated parts by ear or from notation, in the tonal centres of C major, F major, G major, D major, E major, A major, D minor and F minor.
- Explore improvisation within a major scale using the notes:  
C, D, E, F, G  
G, A, B, C, D  
F, G, A, C, D
- Plan and compose an 8 or 16 beat melodic phrase, using the pentatonic scale (C, D, E, G, A) and incorporate rhythmic variety and interest. Play this melody on available tuned percussion.
- Create music in response to music and video stimulus.
- Create, rehearse and present a holistic performance, with detailed understanding of the musical, cultural and historical contexts.
- Perform from memory or with notation.

Decide which activity below to use in the lesson and perhaps use the others for extension work.</p> <p><b>Compose with the song `It's All About Love`</b> In this composition activity, choose from the differentiated note sets and as a whole class or in groups, compose a new, simple melody that will be played with the song it its performance.</p> <p><b>Create a graphic score- Moving Picture</b> The children will be given the opportunity to create their own graphic scores with the title `Jazz Hands`. Explain that a graphic score is an exciting and creative way to write a musical composition. It involves using: shapes, squiggles, letters, pictures, anything you would like to represent the music you are creating. They will use their imagination to decide what will happen in the story and how they will tell it with sound and instruments.</p> <p><b>Compose with a theme- `Moving Picture`</b> This activity uses a different backing track in which you can create your own melody inspired by a given theme. Choose from the differentiated note sets as a whole class or in groups, compose a new melody. Children compose an eight- bar melody, using three or five notes over the backing track. The melody can be included as part of the final performance. The children can create using their imaginations.</p> <p><b>Music Notepad</b> Using the Music Notepad, create your own compositions as a class or in differentiated groups to assess the music theory that has taken place in this unit. The home screen allows you to tailor the settings of your composition by selecting the time and key signatures, clef and numbers of bars. Once these have been selected, you are able to notate your own composition.</p> <p><b>Quickbeats</b> In this activity, the children will work in groups to create their own beats and rap over them. There are video tutorials for support.</p> <p><b>Performing</b></p> <ul style="list-style-type: none"> <li>• Create and present a holistic performance of `It's All About Love` with some understanding of the musical, cultural and historical contexts</li> <li>• Invite a child to lead the performance</li> <li>• Present what has been learnt in the lesson with confidence and ease</li> </ul>

**Performing**

Complete a performance of your chosen song from the unit. Record the performance using an iPad.

When performing guide the class to discuss:

- How do we take our places?
- How do we sit or stand to perform? How do we know when to start?
- How might we introduce a piece of music?
- How do we say thank you to the audience for listening?

After the performance guide the children to discuss:

- Did you enjoy the performance?
- How did it make you feel?
- Were all of the performers focused and concentrating during the performance?
- If there was a song, could you hear the words?
- If there was a song, can you remember what the song was about?
- Who else might enjoy the performance?

**Complete quiz together- Year 6 Unit 1**

The theory quiz summarises all of the musical learning that has taken place in this unit. Each question is multiple choice and allows you to select the correct answer before moving on.
