

Autumn 1 2024  
Year 2

## Maths

- Place value
- Addition
- Subtraction

## Computing

### Introduction to Microsoft Word

**Outcome:** The keyboard

## Art - Sculpture

Artist: Gordon Young

Outcome: Clay Fish Tile

## Geography

Hull is a city in England where I live.

Famous landmarks in Hull include: Humber Bridge, Ferens Art Gallery and The Deep.

Hull has an old town and a new town.

Hull has old and new features, narrow cobbled streets and modern shopping centers.

Orchard Park is a residential area.

Both Hull and London are next to a River.

## Where we live: Hull

### Science - Use of everyday material

Materials are used for different purposes based on their properties.

Wood is used to make furniture because it is a hard and a strong material.

Metal can be used to make coins, cans, cars and cutlery.

Glass is used to make windows because it is transparent.

Some objects can be made from a range of different materials for example a spoon could be made from metal or plastic.

Some materials are not suitable due to their properties, for example paper would not make a good window.

The shape of some materials can be changed when they are stretched, twisted, bent and squashed.

## History

Local History - Hull Zoological gardens

## PE

Hands 2

## Music

Exploring simple patterns

## Thorpepark 50

29 - Visit an old building in Hull

37 - Take part in a vote

49 - Visit 5 key

## PSHE

Being me in my world

## Religion, beliefs and values

Lead us not into temptation

Right or wrong?

## Writing

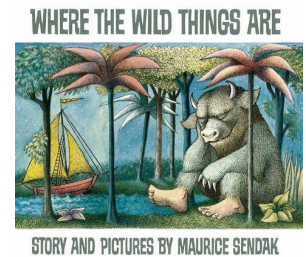

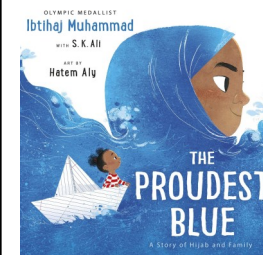

### Transcription focus:

- Punctuation
- Handwriting
- Spelling
- Dictated sentences

### Writing:

- Retelling stories
- Senses poetry

## We will be reading...

And stories by Benji Davies
