PSHE

Being Me in My World.

Religion, Belief and Values

Why Remember? We will focus on remembering, linked to harvest festival and the Hindu harvest festival Baisakhi.

History

In History we will be learning that...

The Stone Age began 3 million years ago, followed by the Bronze Age and then the Iron Age.
-In the early stone age people were hunter gatherers. Later in the stone age period people began to settle in one place and develop farming for food.
-Stone Age people used flint to make tools. They controlled fire and developed weapons for hunting.
-In the Bronze Age, the wheel was invented and bronze was used to make tools and weapons.
-Iron Age people built hill forts for protection because war was common. New iron technology meant more people had weapons like swords and spears.

Art -

sculptures

In Art we will be creating a clay pot inspired by stone age art.

Computing

In Computing we will be learning how to use Microsoft Word

In English

We will be following I'm a clever writer
